Four novice developers recruit an impressive lineup of artists and designers for a new hotel and cultural embassy.

Lloyd Hotel & Cultural Embassy

The recently renovated Lloyd Hotel (below), by architects MVRDV—with interior details by Joep van Lieshout, Hella Jongerius, Christoph Seyferth and many others—reopened last November in Amsterdam's eastern harbor. The Dutch embassy offers tourist services at the 24-hour restaurant Snel (left) in the hotel's atrium.
